Bangla

Experience

2020 - 2021
Freelaancing at Fiverr.com

Web developer

I worked in web design and wordpress development at fiverr. It was like 8 to 9 months. After that I shift to javascript. Now I am working a bit with node js and learning a lot more. Simultaneously I am working on no-sql database mongodb and postgresql as sql database. And all my life I want to stay in JavaScript.

Personal projects
